## ARTOGETHER WITH TOTS

### AGES 2.5-5

ArTogether with Tots is an art focused workshop designed for young children, ages 2.5-5, WITH their adults. Discover and enjoy art experiences with your child in a uniquely designed art studio for both children and adults. We explore new 3-week themes each semester through songs, stories, and art experiences. Baby siblings in strollers or carriers are welcome.

## ARTOGETHER WITH KIDS

### AGES 5+ WITH ADULT

Our fun and playful project stations are designed for a wide range of interests and abilities for kids and adults!

## AFTER SCHOOL ART CLUB

### GRADES 1- 5

Drop the kids off after school to explore, invent, experiment and CREATE in Cloud 9 Workshop's Jr. Maker Space. Each class, Jr. Makers create a project that explores new art media and teaches useful skills. During the second part of each class, Jr. Makers have the freedom to tinker, apply and practice new skills and art media in projects of their choice. Cloud 9 Workshop is an eco-art studio. Where possible, we repurpose and reuse common and uncommon materials found at home. Workshops are fun, engaging and designed to integrate practical skills such as: sewing, basic tool use, problem solving & math.

## SEWING WORKSHOPS

### AGES 8- ADULT

New to sewing? No worries! Sewing workshop size is kept small and our curriculum is designed by experienced teachers for both beginner and intermediate skill levels. All workshops provide an introduction and overview of machine sewing. Each workshop will also teach additional techniques and skills specific to the projects being made. Our priority is the creator, not the stuff. We will make adjustments were needed along the way to make the experience awesome for all!

## JEWELRY WORKSHOPS

### AGES 8- ADULT

Explore DIY wearable art using hand-crafted jewelry techniques. Our jewelry workshops encourage personal expression and playful creativity! Using a combination of upcycled materials and fine art practices, we'll guide participants through envisioning and creating their very own jewelry pieces to wear or give!

## MAKER STUDIO

### AGES 6- ADULT

A creative space for kids & adults with monthly rotating projects- Enjoy projects in every art media imaginable with ease and encouragement. Studio guides will answer questions, provide technique demonstrations, & give inspiration boosts when needed. Projects for ages 6-adult rotate monthly.

## ART AFTER HOURS FOR ADULTS
