GRADES K4-K5

K4-K5 Nature Camp

Summer is the perfect time to explore & observe the natural world. Inspiration is sure to strike as we engage our senses and take notice of all the amazing wonders above, below and all around in nature. We'll draw, paint, build, cut, glue, sew, weave and explore new art experiences each day. Books, games & songs will also guide and inspire our daily discoveries.

GRADES K5-2

Make it-Wear it

Bring your ideas and your personal style and we'll show you how to create your own one-of-a-kind accessories. Each day we'll explore and apply new art techniques to designs that you can wear, tote and accessorize! A sample of the projects we will make include: Shibori dyed fabrics, batik bandanas & denim pocket treasure pouches.

Superhero Camp

Is it a bird? Is it a plane? No, it's Creative Kids to the rescue! Superhero campers will transform every day objects into costumes, toys, games and 3D models. They'll learn how to hone their creative super powers, explore new art techniques and make some fantastic projects. There will also be opportunities to unite powers in collaborative projects and games.

1-Day Unicorn Art Camp

It's unicorn time! Join us for a day of rainbow and unicorn inspired projects. We'll explore color and the land of make believe as we create dancing rainbow steamers, colorful wall art and more! We can hardly wait! This 1-day camp is going to be magical from beginning to end.

GRADES K5-5 *Perfect for siblings! Continued on page 2!*

Teeny Tiny Rooms with Itty Bitty Art

Create your own magical miniature room complete with teeny tiny furniture and itty bitty art. You could design a comfy room for pets, a super hero hide out, an ice cream shop or a dream world. The options are endless! To create your room you'll explore pint-sized printmaking, sewing, painting and 3D cardboard construction. Before you head home with your one-of-kind miniature room, we'll have an open house for families at the end of the camp.

Gizmos & Gadgets

I wonder what will happen if...? Explore this question and more in this hands-on, experimental design camp. We'll build cars propelled by the wind, design boats that float, create prints from found gadgets and much more! Each day we'll measure, glue, tape, cut, rip, bend, staple and test our new ideas. Some ideas may work and others may require a trip back to the drawing board but no worries! Experimenting with gizmos and gadgets is fun!

Fanciful Fairy & Gnome Gardens

Enjoy and explore the whimsy of magical miniature worlds and build your own outdoor/indoor fairy garden using natural materials as well as re-purposed treasures. While all needed materials are provided, children are welcome to bring in their own found treasures to incorporate in their gardens. We'll learn how to plant and care for the gardens and ignite the imagination through stories, artwork and games.

Treehouse Architects

Have you ever dreamed of living in the canopy of the trees? Draw out your plans and build your own treehouse model! We'll take inspiration from tree houses around the globe, study their similarities & differences and examine ideas from nature. We'll also explore the work of several regional and international architects and build gadgets to augment our treehouse models. Let's start building!

SEWING T-Shirt Quilt Camp *More Sewing info on Page 4*

Transform your t-shirts into a cozy quilt of memories! We'll first cut and fuse each shirt with interfacing; then, arrange and machine sew the squares together. Finally, we'll layer together the backing, batting & quilt top. Making a quilt does take time and patience but the result is worth it! We'll have lots of fun and share stories and memories along the way. Basic sewing experience needed. (Camp requires 12-15 t-shirts.) See more information on Sewing Camps below!

Jr. Studio Assistants

Become a Creative Leader this Summer! Cloud 9 Workshop's Jr. Studio Assistant Summer Program is a fun way to engage in the studio experience as a hands-on helper. This program is for teens and tweens in grades 6-12 (completed) who enjoy art, crafts, and kids! Jr. Studio Assistants help guide, assist, and inspire children (grades K5-5th) in the studio during summer camps. They also help prepare materials and clean-up from projects. When time and materials allow, Jr. Studio Assistants can make the projects and participate in the art experiences.

NEW! ADULTS + KIDS

SEWING 1-Day Ready, Set, Go! Learn to Machine Sew *NEW! Camp for kids + adults! (3rd-Adult)*

Curious about sewing? Join us in this 1-day camp where we will introduce the basics of machine sewing. Each student will create 2-3 small practice projects and 1 final project that will incorporate their newly acquired sewing skills.

SEWING CAMP NOTES

New to sewing? No worries! Sewing camp size is kept small and our curriculum is designed by experienced teachers for both beginner and intermediate skill levels. All camps provide an introduction and overview of machine sewing. Each camp will also teach additional techniques and skills specific to the projects being made. Camp projects listed can sometimes be modified or changed as the camp evolves. Our priority is the camper, not the stuff. We will make adjustments were needed along the way to make the experience awesome for all!
